

## NAMA WELLNESS COMMUNITY CENTER

P.O.BOX 350, MUKONO, LUKOJJO, KAYUNGA ROAD

TEL: 0414-699071/ 0783727090/ 0754658130

Date: 10<sup>th</sup> February, 2025.

### VACANCY ANNOUNCEMENT

Nama Wellness Community Centre (NAWEC) transforms healthcare delivery in rural Uganda through an integrated approach focusing on service delivery, research, and advocacy. Operating in Mukono District since 2014 and supporting 2361 professional Community Health Workers (proCHWs), we address critical healthcare challenges where only 44% of births occur in health facilities and 25% of rural women experience depression. Our health service delivery integrates proCHWs with facility-based care, achieving remarkable results.

**Position:** Laboratory Technician

**Department:** Laboratory

**Reports to:** In charge Laboratory

**Employment Type:** Full time

**Deadline for Applications:** 21<sup>st</sup> February, 2025

### Job Summary:

We are seeking a detail-oriented and skilled Laboratory Technician to join our healthcare team. The successful candidate will be responsible for conducting laboratory tests, analyzing samples, and ensuring accurate diagnostic results to support patient care.

### Key Responsibilities:

- Collect, prepare, and analyze blood, urine, tissue, and other biological samples.
- Perform laboratory tests including hematology, microbiology, biochemistry, and serology.
- Ensure proper handling, storage, and disposal of laboratory samples and chemicals.
- Maintain accurate records and documentation of test results.
- Operate and maintain laboratory equipment, ensuring regular calibration and quality control.
- Adhere to health and safety regulations, including infection control and biohazard management.
- Work collaboratively with doctors, nurses, and other medical staff to provide timely and reliable test results.
- Ensure compliance with standard operating procedures (SOPs) and regulatory guidelines.

### Qualifications & Requirements:

- Diploma or Degree in Medical Laboratory Technology/Sciences from a recognized institution.
- Valid practicing license from the relevant regulatory body.
- Minimum of 2 (two) years of experience in a clinical laboratory setting.
- Strong knowledge of laboratory procedures, equipment, and diagnostic techniques.
- Excellent attention to detail and ability to interpret test results accurately.
- Strong organizational, problem-solving, and communication skills.
- Ability to work independently and as part of a team under minimal supervision.

### How to Apply:

Nama Wellness is an equal-opportunity employer and both females and males are encouraged to apply. Interested candidates should submit their CV, cover letter, and relevant certifications to [info@namahealth.org](mailto:info@namahealth.org) or NAWEC Offices by 21<sup>st</sup> February, 2025.

“Join our team and contribute to quality healthcare through accurate laboratory diagnostics at NAWEC.”
